Ordering the most beautiful shoes. Preferably in Düsseldorf - where else?

At **SHOES DÜSSELDORF**, which will take place from 28 to 30 August 2022, the Who's Who of the industry will meet. Around 600 brands are waiting to be discovered in the trendy ambience of the Areal Böhrer.

All halls are filled to capacity. Whether trade or industry - anyone who's anyone will be flying the flag in Düsseldorf. "All the important German and international brands are represented at SHOES DÜSSELDORF," says a delighted Igedo Managing Director Ulrike Kähler. "And all this in one place and at one and the same time. In other words: We offer the perfect conditions for relaxed working and ordering on three days."

SHOES DÜSSELDORF is "The place to be". From A for Accatino to Z for Zouri, all the well-known brands are represented in Düsseldorf. Many newcomers, but also well-known "faces" have confirmed their participation. Whether Gabor or Genuins, Ipanema or Ilse Jacobsen, Rieker or RAS - the range of products at **SHOES DÜSSELDORF** is unique. At the fashion location of Düsseldorf, in the centre of Germany, such a large portfolio of brands is offered as nowhere else.

SHOES DÜSSELDORF encompasses all segments: Premium, Contemporary, Urban, Kids, Comfort and the increasingly important theme of sustainability, which will provide fresh impulses for the POS at the upcoming event with many new, as yet unused labels. In addition, **SHOES DÜSSELDORF** scores with an attractive range of high-quality accessories and bags.
